

Nearby Accommodations

We are located on the north side of Lake Wenatchee (22909 Browns Rd, Leavenworth WA 98826) and it's important to be sure your rentals are nearby. Out here in the country, the "neighborhoods" can be very large on rental pages. Even if the rental is at Lake Wenatchee, if it's on the wrong side of the lake it could be a long drive. Leavenworth is a half hour away, and the city of Wenatchee is a full hour's drive. Be sure to pull up maps and acquaint yourself with the location of the Homestead, and the locations of the rentals you're considering. You'll be glad you did.

Questions? It's fine to give us a call if you need help. We don't run any of these rentals, but there's a good chance we know something about them.

Love Leavenworth: These guys do a really nice job of managing their rentals, and they'll also give you a discount if you mention you're attending a Brown Family Homestead wedding.

Feeling like braving the Leavenworth scene? For accommodations in town, you might try the **Enzian Inn**. Many of our guests have given it good reviews.

And to get a complete listing of *everything* in **Leavenworth**, just pop open the Chamber of Commerce page. Just remember the town of Leavenworth is a 25-minute drive down the valley. On the other hand, it's a good choice if you want just a room, and there are lots of restaurants nearby. Remember, you'll need to commit to serious sobriety if you're planning to navigate that dark mountain road after the wedding. ;-)
